March 2020

GOV.UK GUIDANCE

FURTHER BUSINESSES AND PREMISES TO CLOSE

As a country, we all need to do what we can to reduce the spread of coronavirus.

That is why the government has given clear guidance on [self-isolation](#), [staying at home and away from others](#), and asked that [schools](#) only remain open for those children who absolutely need to attend.

On 23 March the Government, stepped up measures to prevent the spread of coronavirus and save lives. All non-essential premises must now close. Takeaway and delivery services may remain open and operational in line with guidance on Friday 20 March. Online retail is still open and encouraged and postal and delivery service will run as normal.

Retail and public premises which we expect to remain open must:

- Ensure a distance of two meters between customers and shop assistants; and
- Let people enter the shop only in small groups, to ensure that spaces are not crowded.
- Queue control is required outside of shops and other essential premises that remain open.

Parks will remain open but only for individuals and households to exercise once a day. Communal spaces within parks such as playgrounds and football pitches will be closed.

Non-essential businesses and premises must now shut

The following businesses and premises must remain closed:

These premises and other venues must close as they involve prolonged close social contact, which increases the chances of infection spreading.

Takeaway and delivery facilities should remain open and operational.

This means people can continue to enter premises to access takeaway services, including delivery drivers. Planning regulation will be changed to enable restaurants, cafes and pubs which do not currently offer delivery and hot food takeaway to do so. This will be clearly communicated by the government when in effect. People must not consume food or drinks on site at restaurants, cafes or pubs whilst waiting for takeaway food,

Those venues offering takeaway or delivery services must not include alcoholic beverages in this list if their license does not already permit.

Length of closure

We are asking the businesses and premises and other venues outlined above **not to open for trade from close of trade 23 March 2020.**

The Government will look again at these measures in three weeks, and relax them if the evidence shows this is possible.

Compliance

Everyone is instructed to comply with the rules issued by the government in relation to coronavirus, in order to protect both themselves and others.

As of 2pm on 21 March 2020, **closures on the original list from 20th March are now enforceable by law** in England and Wales due to the threat to public health. The government will extend the law and enforcement powers to include the new list of premises for closure. Further measures on enforcement could be taken following the passage of the Coronavirus Bill through parliament.

A business operating in contravention of the Health Protection (Coronavirus, Business Closures) Regulations 2020 will be committing an offence. As agreed with the devolved administrations, these measures will be extended to Scotland and Northern Ireland by Ministerial Direction once the Coronavirus Bill is in force.

Environmental Health and Trading Standards officers will monitor compliance with these regulations, with police support provided if appropriate. Businesses and premises that breach them will be subject to **prohibition notices**, and potentially **unlimited fines**.

Financial Support

Her Majesty's Treasury also [announced](#) on 20 March 2020 a comprehensive series of measures supporting wages, cash-flow for businesses, and the welfare system.
